Phone WRAP

Hello, My name is _____ from One Fam, I am calling from the Revolution Cafe. We are at serious threat of being displaced! However we are fighting to remain here for the neighborhood. But we need YOU and everyone to step up and help the cause. If building a real neighborhood community hub & culture space is what you also want too. Right now we have just 2 weeks to raise \$10,000. How much of that goal can YOU contribute?

Greetings Friend,

Update from One Fam: The Revolution Cafe is a hub of Black culture and community organizing in the Historic Stronghold of the Black Panther Party. We are at threat of being displaced! However we are fighting to remain here for the neighborhood. But we need YOU and everyone to step up and help the cause. If building a real neighborhood community hub & culture space is what you also want too. Right now we have just 2 weeks to raise \$10,000. How much of that goal can YOU contribute?
